O zi din viața pacientului cu diabet zaharat

What society thinks we do
Ce cred oamenii că facem

What our friends think we do
Ce cred prietenii noştri că facem

What our family thinks we do
Ce crede familia noastră că facem

What society thinks that we cant do
Ce cred oamenii că nu putem face

What we think we do
Ce credem noi că facem

What we actually do
Ce facem noi de fapt
